# TRACK AND FIELD

---

Attention all students signed up for this season's track and field team. Tomorrow will be our first training session. Please get dressed in workout gear on layers for the weather, and report to room 221 at 2:30. We will have a meeting and then a workout. Please see the calendar outside room 221 for next week's schedule.

# BOYS SOCCER

Yesterday the boys played an exhibition game against Bishop Ryan and came up short by a 3-2 score. The boys were resilient and played well overall and the coaches were especially impressed with the junior boys who were invited. The future looks very promising and we would like to move forward with a practice this Friday from 2:30p.m to 4p.m. If you are unable to attend, please let one of the coaches know. We would like to remind those who did not pay the \$5 fee on Wednesday must do so immediately.

# CONGRATS!
